“GET ONBOARD” For the Benefit of Your School....Your Kids!

LET’S CRUISE FOR A CAUSE!

There is no better education than *an experience* itself. Your *Spring Break Vacation* can be more than just a fun adventure, it can benefit your school.

This Group Cruising has a major benefit. For every cabin reserved, \$100 will be donated to your school.

PICTURE THIS

- \$100 donation for every paid and sailed stateroom assigned to your organization
- For every **16 paid cabins assigned to each school they will earn an additional \$1,000 bonus**

(See below to see how this adds up by simply promoting this Spring Break Vacation)

- 16 paid cabins = \$2,600 donation (\$100 X 16 cabins + bonus of \$1,000)
- 32 paid cabins = \$5,200 donation (\$100 X 32 cabins + bonus of \$2,000)
- 48 paid cabins = \$7,800 donation (\$100 X 48 cabins + bonus of \$3,000)

HOW IT WORKS

- ❖ Each school must register under us, (*Meister Meetings & Travel Corp.*) in advance and have at least 5 paid assigned staterooms within **FGT** group block to receive a donation [LINK](#)
- ❖ Each guest will have an opportunity to pick their designated school during their registration process

MEISTER

Meetings & Travel Corp.

- ❖ There is no cap on number of cabins that can be sold...just based on number of cruise cabins sold within our group block that are assigned to your school
- ❖ Cabin availability is capacity controlled by the cruise line and all cabins must be reserved with initial deposit of \$500 per cabin and paid in full by November 16, 2018.
- ❖ Donations will be paid within 60 days after cruise completion
- ❖ No costs for schools to participate, just willingness to promote the cruise and earn donations
